Welcome to Gawura

I would like to extend a warm welcome to the Gawura students, families and community to the 2009 academic year. It has been extremely enjoyable listening to all the holiday stories and I am delighted with the enthusiasm and hard work the children from Kindergarten to Year 6 have brought to the start of Term 1.

WELCOME TO OUR NEW GAWURA STAFF

This year we are delighted to welcome Ms Leanne Hunter to the Gawura staff as the Aboriginal Education Assistant (AEA). Ms Hunter has significant experience working with children and will assist with teacher support, community and parental liaison and pastoral care.

In 2009 we have also welcomed Miss Lauren Rutter to Gawura. Miss Rutter is joining us as the Gawura Year 13 and along with Ms Hunter provides wonderful support to the students.

SWIMMING: TERM 1 SPORT

The Gawura students will be going

to a variety of venues with the Junior School. Please remember your swimmers, towel, goggles, plastic bag (for the wet swimmers and towel), drink bottle, School cap and tracksuit top.

A REMINDER

The Homework Centre will commence in Week 3. It will again operate each Tuesday and Thursday afternoon from 3:15pm to 4:10pm.
